

# new jobs

## in times of covid

How can Randstad support your #newways of working? We deliver employees and solutions to support initial protocol implementations that enable you to operate in the new normal. In addition to Safety Controllers, you may have a need for one or more of the following top 5 new jobs.

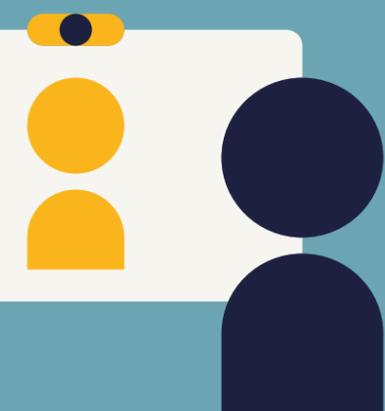

### covid-19 manager

plans and manages the transition from lockdown to the new normal, defines way of working and sets up a communication plan

### social worker

enhances social functioning and overall well-being of staff during and post-covid-19

### protocol trainer

informs target groups about new way of working, provides health & safety instructions online or on-site

### screeener/tester

performs - if legally permitted - testing & screening before employees/guests enter premises

### traffic control

supports crowd control and manages congestion, and provides PPE to visitors
