Wesley Connor is a Master Facilitator and certified leadership, team and executive coach with over 3000 hours of transformational coaching under his belt and 5000 hours of in-class facilitation. He has consulted as a Senior HR executive overseeing global strategy to measurably improve retention, engagement, performance, and organizational effectiveness. He has been described as a forward looking innovator who provides strategic leadership and direction using cutting edge human resource theory, processes and practices to help drive sustainable growth and maximize achievement of both short and long-term business objectives. Wesley has a passion for helping organizations position its human capital management strategy as a competitive

advantage in the marketplace. He brings his deep roots as an artist into the corporate world by creating work environments that foster passion, joy, fulfillment, collaboration, and performance excellence. He is an advocate for a “human centered” workforce, in which employees can bring their full selves to work to unlock an organizations hidden genius.

Business and Leadership Experience

Wesley has over 20 years of experience creating transformational learning, high performance teams and talent management strategies for multiple industries. He has helped to shape the human capital strategy for small, medium and large organizations – touching the lives of over 45,000 employees globally. He has supported multiple change management initiatives and most recently, helped to successfully navigate the digital transformation of a global organization. He’s passionate about mentorship and the proud creator of a best-in-class, multi award winning mentorship program that connects employees throughout 32 different countries.

Wesley draws on his diverse experience as an artist, coach, master facilitator, HR thought leader and business executive to provide his clients best-in-class consultation skills that empower organizations to reach their most important goals. Wesley trained with the Coaches Training Institute (CTI). He is a Certified Professional Co-Active Coach (CPCC) and an ICF Professional Certified Coach (PCC), and has completed training in Organization and Relationship Systems Coaching (ORSC). He is a certified facilitator of Fierce Conversations, Situational Leadership, the Challenger Sale, DISC, and Insights Discovery. He is also certified to administer the following assessments: Leadership Circle Profile 360 assessment, Leadership Culture Survey, Hay 360 Leadership Styles and Cultural Survey and Team Diagnostic Tool. He has been a key note speaker at multiple international human capital conferences and has authored over 30 articles in talent management and organizational development related topics.

Wesley has a deep love of humans, a passion for excellence, respect, and a strong desire to make a difference in the world of work. He has dedicated his career to unlocking the power and unlimited potential embedded in each individual and organization. He’s always believed that business strategies can be replicated – people cannot. Most organizations are sitting on an untapped goldmine of human potential and Wesley believes that he is uniquely positioned to help unlock it
