About Me

With my background in retail, I have acquired valuable skills and I am excited to further develop professionally. I am currently living in Germany and I would consider relocating in Greece.

Experience

Retail NAME 2020 - 2023

Store Manager

As a store manager, I was responsible for overseeing all aspects of the store's operations such as:

- motivating a team of employees.
- ensuring that they are properly trained and following company policies.
- monitoring inventory levels.
- maintaining accurate records of sales and expenses.

Education

2019

Town's university

Communications & Social Relationships.

Communication is the key! Case studies proved to be an effective way for us to develop some beneficial skills.

Additionally, I had the chance to present my report on "aspects of sociology" at the fair organized by Town's university.
