randstad multilingual specialty

our mission.

randstad launched in 2017 a new specialty, called **multilingual**, a unit fully specialized in recruiting candidates that share a common characteristic;

all speak an additional **language** next to english and/or greek.

we strive for the opportunity to create the perfect match between our clients & multilingual talents that are **based in greece** & seek new job opportunities or that are positive in **relocating** to greece.

multilingual
our candidates.

extra monetary benefits.

other **benefits** offered.

but why greece?

destination: greece.

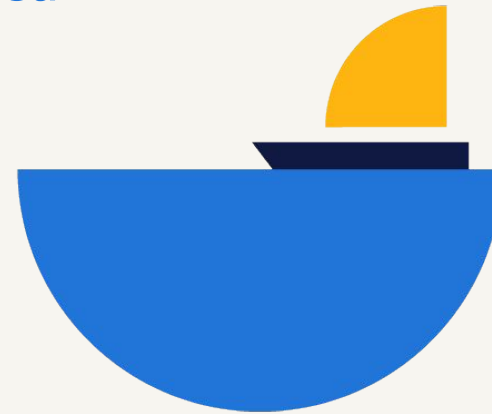

no part of Greece is more than 137 km away from the sea

more than 250 sunny days each year

greece is famous for agricultural products

up to 6,000 islands

80% of greece is made up of mountains

destination: greece.

Greece has the most archaeological museums in the world

18 UNESCO World Heritage Sites

Athens has more theatres than any other city in the world

Greek nightlife

over 17 million tourists visit Greece each year

frequently asked

questions.

frequently asked questions.

Will there be someone to guide me when I arrive in Greece?

I will travel with my family/partner, are the expenses covered for them too?

How often do we get paid in Greece?

How much money should I have upfront in order to make it for the first days until I get my first payslip?

Is the training a "trial period" or do we get paid?

What is the process if I decide to return back to my country?

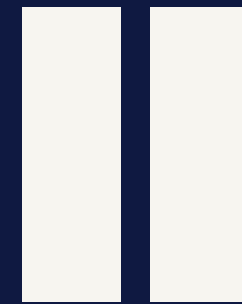

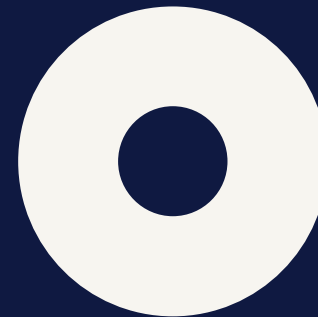

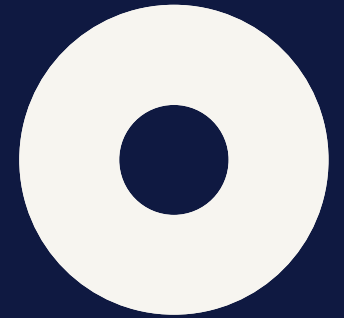

grazie!

thank you!

merci!

vielen dank!
